Understanding the Compensation Plan

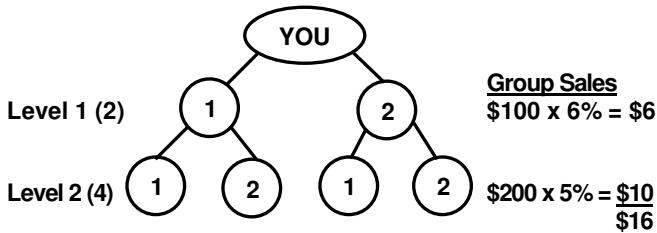

The following is for illustration only and does not represent, imply, warrant, or guarantee any actual earnings. Individual earnings are based solely on individual performance. The possibilities are simply unlimited.

To get paid commissions or bonuses you must purchase a minimum of \$50.00 (wv**) of product during the same month that commissions or bonuses are earned. (Familiarize yourself with the Auto-Ensure Program.) The number of ACTIVE* ASSOCIATES in your down-line, qualify you for the bonus levels listed below.

EARNING COMMISSIONS

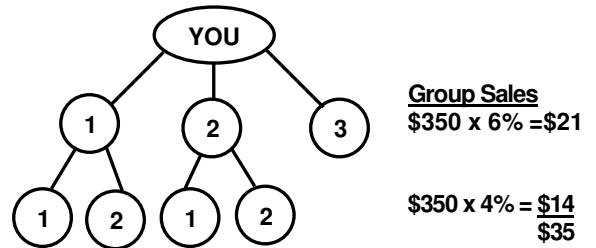

You are a Distributor

Sponsor 2 Active* Associates
(and help each of them sponsor 2 Active Associates)

You are a Silver Direct

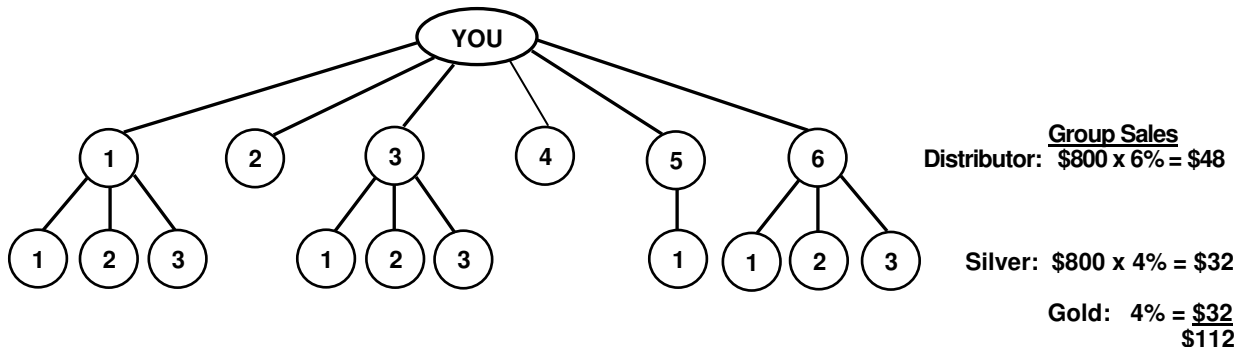

Sponsor 3 Active* Associates
(and help two of them sponsor 2 Active Associates)

Gold Executive

Sponsor 6 Active* Associates

(When 3 of your personally sponsored associates are Silver Directs, you are a Gold Executive)

Concept: You get paid down each of the 6 legs illustrated above, including the 6th level of Silver Directs and everyone in between. These figures represent minimums.

How deep you are paid is not determined by how many Associates are in each leg, but by how many Silver Directs and Gold Executives are in each leg. The computer will search down each leg until it can no longer find any Associates, or until it finds the 6th Silver Direct or 3rd Gold Executives in each leg, and then it will pay you a commission for all of the sales generated by all the Associates, Silver Directs, and Gold Executives down to and including the 6th Silver Direct or 3rd Gold Executive. Legs go down vertically and levels go across horizontally.

Your down-line is shown with 3 people sponsoring only 3 people (excepting yourself). Do the math and see what happens if each person sponsored 3, or 6, or 10 people, and your organization goes down 10, 20, or 30 levels.

If you are serious about building a home based business, this is a golden opportunity for you. Just determine how much money you need to make, then map out your strategy and go for it. You can do it.

Attachment A

The following table illustrates potential commissions for **Gold Executives**. By using the strategy as illustrated on the previous page, to build Silver Directs and Gold Executives, you can meet your goals.

<u># of People</u>	<u>Group Sales</u>	<u>6%</u>	+	<u>4%</u>	+	<u>4%</u>	=	<u>Total Commissions</u>
26	\$1,300	\$78		\$52		\$52		\$182
54	\$2,700	\$162		\$108		\$108		\$378
108	\$5,400	\$324		\$216		\$216		\$756
216	\$10,800	\$648		\$432		\$432		\$1,512
432	\$21,600	\$1,296		\$864		\$864		\$3,024
864	\$43,200	\$2,592		\$1,728		\$1,728		\$6,048
1,728	\$86,400	\$5,184		\$3,456		\$3,456		\$12,096
3,456	\$172,800	\$10,368		\$6,912		\$6,912		\$24,192

From the illustration above, you can decide what kind of monthly income you want to be making in three months, six months, a year from now, and figure out what you have to do to make that happen.

It should be apparent why network marketing has created more millionaires than any other kind of business. For serious-minded people looking for a legitimate home-based business opportunity, Gifts of Nature offers one of the most simple, straight-forward, and generous compensation plans in the industry.
